N Bar Village Duke, reserve champion of the 1948 Inland Empire Show and Sale. Sold to William Lutzke, Samuels, Idaho for \$3,000.

Sixty-five head of the finest cattle from 26 of the strongest herds in five states have been assembled to make this the best offering in Inland Empire history.

For many years the breeders in the Northwest and far West have been buying the very top of the bulls and heifers that have been offered for sale in the United States and Canada, as well as having purchased some of the best of imported bulls from Scotland. In this sale you have an opportunity to buy sons, daughters and the service of many of the breed's finest bulls.

There are herd bull prospects in the offering good enough in both individuality and breeding to head any herd of Shorthorns anywhere.

The ages are good on most of the bulls, and many of them would make ideal range bulls with weight for age, size and scale so much in demand.

Remember that in recent years Shorthorn steers have won more over-all breed championships in major Northwest shows, including the Pacific International at Portland, than the other breeds combined.

We shall look forward to seeing you in Spokane on March 9th and 10th.

SIERRA SUPREME LEADER—A deep Red son of Edellyn Royal Leader 21st, and out of a Marygold cow. The family that has done so much for Clausen Bros. She is by Goldfinder's Champion and was Reserve Champion at the 1946 Souix Falls sale. Here is a blending of Leader and Goldfinder breeding at its best. Judge Charles Yule thought he was one of the outstanding calves of America. He has all the qualities of a real herd sire.

SIERRA MAESTRO—Another Dark Red son of Edellyn Royal Leader 21st, and out of Susan 40th, purchased in the 1945 Chicago Congress at \$2,000. When shown as a junior calf he always won. He is developing so well that he now looks like the most perfect in type of anything we have bred to date. It is seldom that you see a more perfect prospect as a herd sire. Sorry, but was unable to get a picture of him in time. We had planned on showing him next year, but in our desire to cooperate with the committee, at the last moment we consented to consign him.
